NORTHERN SUB-REGIONAL TRUST

2018 GRANT FUNDING GUIDELINES

Background

The Northern Sub-Regional Trust (**NSRT**) is a charitable trust and is committed to supporting the overall direction of both the Western Cape Communities Trust (**WCCT**) and the Western Cape Communities Coordinating Committee as per the Western Cape Communities Coexistence Agreement (**WCCCA**). WCCT provides funding to the NSRT which must be in furtherance of the WCCT objects and purpose of the NSRT. The NSRT will support and sponsor initiatives and activities of particular communities living within the WCCCA area that are for charitable purposes or promoting benefit to the overall welfare of the communities.

Under the terms of the trust deed for the WCCT, the key objectives are to:

- allocate and distribute trust funds for the benefit of the Communities and their organisations; or
- promote the benefit and general welfare of the Communities by providing grants, and goods and services

Provided that the use of trust funds is for charitable purposes.

The provision of funds available from the NSRT is governed by the rules and requirements of both the NSRT Trust Deed and the Australian Taxation Office. The funds the NSRT have made available have been specifically defined to operate within these rules. The allocation of funds outside these rules may have a negative impact on the NSRT itself and on all of the Trusts in the Western Cape Communities. Breaking these rules will limit the funds available in the future.

Accordingly the NSRT can only utilise trust funds for the following charitable purposes;

- relief of poverty, and needs arising from old age or sickness and distress;
- advancement of education;
- advancement of religion; and/or
- other purposes beneficial to the Community.

The NSRT is focused on pursuing three key objectives for the Traditional Owners and Communities that it represents. These are supported by the WCCCA and include:

1. Community Development – being infrastructure, educational, health and social development;
2. Community Support – being the Ranger Program, provision of bursaries and the protection and promotion of cultural heritage; and
3. Traditional Owner Group support

Northern Sub-Regional Trust Directorships

The Trustee Board of the Northern Sub-Regional Trust comprises members from each of;

- the five Northern Traditional Owner Groups of the WCCCA region, (i.e. Ankamuthi People, Taepadhighi People, Tjungundji People, Warranggu People and Yupungathi People);
- the Mapoon Aboriginal Shire Council, and
- the New Mapoon representative on the Northern Peninsular Area Regional Council.

- New Mapoon representative on the Northern Peninsular Area Regional Council (Cr Michael Bond).

Directors are appointed to the Board of the Northern Sub-Regional Trust for a period of 2 years.

Funding auspicing bodies, ie: Mapoon Aboriginal Shire Council, can charge an auspicing fee to cover their administrative costs. Any such fees will form part of the overall approved funding amount.
