The Southern Sub-Regional Trust 2020-2024 Grant Funding Guidelines were noted and accepted by the Southern Sub-Regional Trust Board of Directors at their Board Meeting held 24 February 2021 Resolution SSRT240221-4 and extended until 2024 at their Board Meeting held 18 May 2022 Resolution CSRT180522-7.

**WCCCA**  
our country...our future

**SOUTHERN SUB-REGIONAL TRUST**  
**2020-2024 GRANT FUNDING GUIDELINES**

**Background**

The Southern Sub-Regional Trust (SSRT) is committed to supporting the overall direction of both the Western Cape Communities Trust (WCCT) and the Western Cape Communities Coordinating Committee as per the Western Cape Communities Coexistence Agreement (WCCCA). WCCT provides funding to SSRT which must be in furtherance of the WCCT objectives and the purposes of the SSRT. The SSRT will support and sponsor initiatives and activities of particular communities living within the WCCCA area that are for charitable purposes or promoting benefit to the overall welfare of the Communities.

Under the terms of the trust deed for the WCCT, the key objectives are to:

- allocate and distribute trust funds for the benefit of the Communities and their organisations; or
- promote the benefit and general welfare of the Communities by providing loans, grants, and goods and services

provided that the use of Trust funds is for charitable purposes.

The provision of funds available from the SSRT is governed by the rules and requirements of both the SSRT Trust Deed and the Australian Taxation Office. The funds the SSRT have made available have been specifically defined to operate within these rules. The allocation of funds outside these rules may have a negative impact on the SSRT itself and on all the Trusts in the Western Cape Communities. Breaking these rules will limit the funds available in the future.

Accordingly the SSRT can only utilise Trust funds for the following charitable purposes:

- relief of poverty, and needs arising from old age or sickness and distress
- advancement of education
- advancement of religion and/or
- other purposes beneficial to the Community

The SSRT is focused on pursuing three key objectives for the Traditional Owners and Communities that it represents. These are supported by the WCCCA and include:

1. Community Development – being enterprise development, infrastructure, educational, health and social development
2. Community Support – being the Ranger program, provision of bursaries and the protection and promotion of cultural heritage; and
3. Traditional Owner Group Support.

### Southern Sub-Regional Trust Directorship

## Grant Funding Support

To help facilitate the grant applications in line with the above conditions, the SSRT Directors in conjunction with the WCCT Finance Team will assist applicants to understand the process for applying for grants. The following steps will apply:

1. Applications will **only** be considered if they meet the SSRT categories and conditions as outlined in this Grant Funding Guidelines.
2. An application form specific for each area is available on request. This application form will provide more detailed information regarding each category and condition of funding.
3. The WCCT Finance Team will assist with the completion of application forms and make visits to communities to assist with the grant funding process.
4. Applicants can apply for funding at any time of the year. However, applications can only be assessed every quarter when the SSRT meet for their Board meetings.
5. The WCCT Finance Team and Executive Officer **do not** make any decisions regarding approval of applications. This is the responsibility of the SSRT Board of Directors.

The WCCT Finance Team is here to support Traditional Owners and applicants with their grant funding proposals.
